State of the Chapter

Happy New Year to all of the NEMO Chapter Alumni; 2003 is looking to be a very positive year for the fraternity. We are still very excited from the success of the fall 2002 semester. Thank you to all of the alumni and members of the ABT for showing their support during a very successful Homecoming. The NEMO chapter won third-place in contest with the small organizations on Truman State's campus. But the real excitement came in November when 12 men were initiated into the bond of Delta Chi. We would like to congratulate Matthew and Michael Dalton, Matthew Decker, Michael Kwan, Hugh Kennedy, Kendall Lamm, Jerry Holmes, Zachary Garwood, Nathan Bowyer, Ryan Locascio, Chris Radigan, and Luke Van Cleve and thank them for their devotion during their associate member season. With campus success, financial stability, and the biggest AM class in 15 years, the state of the chapter is very good.

There is one major obstacle standing in the way of prior success for the NEMO Chapter. The house standing at 904 S. First Street has continued to fall into despair despite the extremely hard work being put into it by the chapter's active and associate members. Financial assistance from our alumni brothers is desperately needed to begin building a new house. A new committee has been created within the fraternity to develop plans for a new house. We hope to have these plans available for all of you at this year's Alumni Reunion celebrating the NEMO Chapter's 25th chartered year. We hope that with reunion will come change and I hope to see you all in March.

Spring 2003 Rush

[nemodeltachi.com//:](http://nemodeltachi.com/)

The NEMO chapter just finished Spring Rush for this year on January 31. Our Rush Chair, Alex Horowitz, brought us through a great formal rush. We are very happy to announce the addition of six new associate members: Sean Carson, Benjamin Church, Ben Sonnenberg, Claus Mayer, Christopher Edwards, and Jason Kuhar. Also, we pinned Centennial Hall Director, Mark Lowry, as an honorary alumnus. We believe he will be a great asset to our chapter. We are very excited for this upcoming semester as our chapter continues to grow in numbers and also in the bond of brotherhood. **Tim Yonker**
NEMO Chapter "E"

A few weeks ago, the new website was unveiled to the public eye. Construction first began in early December, but thanks to the resumption of a new semester, several areas still remain in the construction phase as school work becomes more prominent. Many improvements and updates have been made from the last revision, so be sure to check it out! A final production date has yet to be set, but I'm shooting for Alumni Reunion. In the meantime, send us your feedback; it would be most appreciated!
