State of the Chapter

Greetings from Truman State University! My name is Michael Dean and I am the newly elected 'A' for our Chapter. I am looking forward to leading our 40-man chapter to new successes over the next year. Currently, I am working on reviving our spring formal and incorporating it with our traditional senior send-off activities. Also, on the IFC level, Delta Chi is working to improve the standards to which Greeks at Truman hold themselves. On campus, Delta Chi has participated in the Big Event, Special Olympics, Community on the Quad, 5K run, 30 Hour Famine, and Greek Week Penny Wars.

I must not forget to mention that our social chairmen brought back Delta Pacific to Truman's campus. In addition to our 16 men initiated in the fall, we also brought out 4 exceptional men in the spring. I would like to invite all of you to attend their initiation, which is to be held April 29, 2006 at 8:00 P.M. in Kimball's. I hope to see many of you at Alumni Reunion this Spring to celebrate the 30th Anniversary of our Colonization!

ITB,
Michael Dean, 'A'

My name is Benjamin Church, the newly elected 'E' of Truman State Delta Chi. Thus far my job has been relatively slow, however I'm very excited to invite all of you to Alumni Reunion 2006. After the terrific response to the house destruction last spring and the new house dedication last fall, we look forward to seeing some old friends and making some new ones.

This year we're reinstating some old traditions such as the Delta Chi Golf Tournament and hope to

Provide a weekend full of fun activities and brotherhood. It's always very humbling and thought-provoking to hear stories about where we came from and how the chapter got started as well as presenting the changes the chapter has made. We're hopeful that you'll be impressed by where we're heading and supportive of our future endeavors.

From Your 'BB'

It has been my pleasure to serve this organization as their Alumni Advisor for this past semester. Working with the individuals of Delta Chi I have observed a group of young men who are extremely dedicated to their work, those they are working with, and the causes they are working for.

I have seen the men take on leadership roles both within the chapter and the Truman community. The committee chairs and Executive Board members this past year have made it a point to make Delta Chi an organization which has clearly defined goals and a plan to achieve them. The steps taken this year are heading us in the right direction, and have been very positive for our chapter. I have seen many members of

this organization grow from being a group of first year students finding their way around campus and looking for a place to get involved, to a group of trustworthy young men, taking on new responsibilities and leadership roles each and every day. It has truly been my privilege knowing and serving the men of the Truman State University Chapter of Delta Chi, and look forward to continuing to do so.

Mark Lowry, 'BB'

Graduates

This May will mark the graduation of seven men. Brothers Matt Decker, Alex Horowitz,

Nathan Bowyer, Zach Garwood, Erik Anderson, Christopher Edwards and Adam Bezinovich will walk on May 13th, 2006 at 2pm. Matt plans to attend Law School at the University of Missouri-Columbia in the fall. Adam will remain at Truman to pursue a graduate education. Nathan will be looking for jobs in the St. Louis or

Kansas City area. Erik will be enrolling at the Kirksville College of Osteopathic Medicine to pursue his medical degree. Alex will be continuing his educational career. Zach and Brad will likely be entering the work force. Delta Chi will be hosting a Bar-B-Q all day on May 13th in honor of these seven outstanding men.

Grant Dail, 'B'

New Chapter House!

With the recent completion of the new fraternity house at 904 S. First St., we are anxiously awaiting the completion of our basement. The basement will house six bedrooms, a kitchen, lounge, bathroom and laundry room. This will bring the total number of men housed to sixteen beginning in

May. Brother Miguel Garriga's father graciously donated the money to purchase a brand new wide-screen TV which is housed in our second floor media room. We would like to sincerely thank everyone that helped along the way either with their time or with their donations. This truly shows what can

happen when people come together to work for a common goal. One year ago, who would've thought this would be happening to us now?

Website Revamp

Over the last semester, the chapter website has undergone a substantial renovation. Cosmetically, it has been completely overhauled. Also, all sections have been updated after a period of stagnation. Alumni profiles have been expanded to include information such as birthday, marital status and children, along with trivial information such as your favorite college story. A discussion

added as an easy way for active and alumnus brothers to keep in touch, along with several other members-only applications for actives and alumni. Please stop by the website at www.tsudeltachi.com if you haven't recently and check it out. Let me know if you have any suggestions for improvements.

Matt Wright, Web Chair

Call From Historian Committee

Over the past two years the chapter that you were instrumental in starting has achieved many great things. We've more than doubled in size, moved into a new chapter house, and have won various awards on campus. Despite these accomplishments, there exists a problem in our chapter that we're asking for your help in solving. We regret to inform you that over the years, the story of our founding has been lost. As our chapter continues to move forward we believe that it is imperative for us to be able to look back and properly recognize the men who made all of this possible for us. In order to do that, we're asking that you contact us at 660-665-2441 or arf205@truman.edu so that we can get a first hand account of our history. With your help, we can guarantee that your story will be known by every man who enters into the bond of Delta Chi at Truman State University. Thank you very much and we hope to hear from you soon.
