## State of the Chapter

Greetings! I hope this newsletter finds you well and I hope you have had a great start to the new year. My name is Philip Busick, and I am the newly elected “A” for our chapter. We currently have a 35 man chapter and I am excited to be able to build off our past successes and lead our chapter further ahead in the coming year.

So far this year has been good. Among our success we initiated 6 new brothers last semester into our bond. We also currently have 7 new associate members this semester. Our members have also been very involved on campus. Some of the highlights from the past months include winning Greek Week, receiving an award at our regional leadership conference for academic excellence, and having over 80% of our chapter participating

in other on campus organization and holding multiple leadership positions in those groups.

A couple things that we are looking at in the coming months among others include plans for summer renovations to Kimballs Place. We are also continuing our work to raise money for the Jimmy V Foundation, our national philanthropy project. Our chapters goal is to raise over \$1000 dollars before our next conventional in 2010. In the past we have meet our goals and pledges for this great cause and I have no doubt that we will do so again in the coming year.

I hope to see many of you help celebrate our Alumni Reunion; we could not have come this far without you. If for any reason you are unable to attend Alumni Reunion we would still love for you to

visit and I extend an invitation to anyone who wishes to attend our initiation this spring, which will be held on April 18<sup>th</sup>. If anyone has any questions or concerns feel free to contact me at A@tsudeltachi.com. Best wishes in all of your endeavors in the coming months and I hope to see you soon!

In the Bond,  
Philip Busick ‘A’

## Region IV Results

Earlier this semester 13 of our actives as well as our "BB" attended Regionals at South Dakota State University in Brookings, SD. We spent a full day going over how to properly and successfully rush the men on our campus care of Phired Up Productions, a new rush-oriented seminar. The skills we learned here will be vital to our chapter's survival and success in

the coming years.

At the end of the evening on Saturday, during a banquet put on by the South Dakota State Chapter, our chapter received the Outstanding Scholarship Award.

### Stats at a Glance

- 28 Actives
- 7 Associates
- 3.20 Chapter GPA
- First place team in Greek Week 2009
- Fourth place standing in Intramurals

## Past Quarterly Submissions

### Summer 1984

With the initiation of five men into the Bond this spring, our membership is up to 74 brothers, which makes us one of the top three fraternities on campus.

Two of the big highlights this semester was our Parents' Day and our first annual "Delta Pacific" year-end bash. Parents' Day began with a picnic lunch at a local state park followed by a formal banquet that night and a party at Kimball's Place, with many of the parents staying till late in the evening. Parent support is something we feel very important.

Our first annual "Delta Pacific" party was a complete success. The party included t-shirts that were sold for money and publicity. With the weather cooperating, we started at the lake in

the early afternoon and at dark moved back to the house and Kimball's Place. After the party's success, there will be one planned for years to come.

This summer a major renovation of Kimball's has been planned. It includes a new floor, plumbing, and new carpet. This will all be completed in time for our annual summer reunion, scheduled for the last weekend in July. With summer reunion and a brother's wedding, it will prove to be a good turn out for actives and alumni.

### Winter 1986-87

We were very proud to have received several awards, especially the President's Cup. Rush was very different this semester due to the University's new dry rush policy. Delta Chi placed third in the num-

ber of associate members taken, with 13. We placed second academically. We are currently third in intramural sports and moving up rapidly due to participation in volleyball and racquetball.

Homecoming was a great success due to the participation of many Alumni. Jeff Drinkard, '88, received 1st runner-up in the king elections.

Our members have been working on service projects in the community. We registered 40 runners in the United Way 5K and 10K distances. We helped the Adair County clerk with the First Annual Missouri High School Rodeo and raised money for the Adair County Public Library by selling books. We are now participating in the Jaycee's haunted house extravaganza.
